

Samuel Ryder Academy

Education for a changing world

July 2021

Hello Future Year 7 Student

Welcome to SRA! I know you'll have a great year, I'm sure this might be a big change for you, and you will probably be feeling nervous or anxious and hopefully excited! But there is nothing to worry about, so no need to stress, because the school comes with great opportunities for you to explore and enjoy.

Our school has many house events: netball, rounders, swimming, rugby and many more! We also have clubs before school, after school and at lunch - these I especially enjoy. Clubs that Samuel Ryder do are: debating, chess, netball, athletics, choir and many more for you to try out with your friends.

I know you may be worried about getting lost, having too much homework, not making any friends. But everyone who is coming into SRA will be feeling exactly the same, if you ever get lost there are many students and teachers to help you out. Although you might get more homework than you did in primary school, this is for you to know what you have done in lessons. The teachers at SRA are amazing! Yes, some of them may be strict but they just want to push you to your full potential!

From my experience at Samuel Ryder, everyone is nice and always willing to help you out, people who could also help you out are your Form Tutor or Head of Year!

So, for the future year 7 student I hope you have an amazing time at SRA and take in all of the experiences along the way.

Violet Pope

Year 7 King
